

ALTERNATIVE METHODS CONVENING

FLORIDA STATE COLLEGE AT JACKSONVILLE, ADVANCED TECHNOLOGY CENTER
JUNE 1-2, 2022

DURING THIS CONVENING, PARTICIPANTS WILL:

- Understand the research base and national movement behind alternative methods
- Deeply understand the Florida policy and the institutional opportunities within
- Craft a shared vision for alternative methods at their institution
- Learn principles for creating equitable and effective policy, and the data that drives it
- Develop a plan to answer key questions related to an alternative methods policy
- Understand the need for intentional implementation planning
- Learn and use principles for effective stakeholder engagement that will support sustainable implementation
